

Custom Warehousing and Distribution Centers for Aviation Parts Sellers

Founded as a 3PL alternative offering turnkey “build-operate-manage” warehousing services, Cura Group is a full-service contract logistics partner specializing in aviation parts distribution solutions with predictable costs and no surprise fees.

We don't believe in a one-size-fits-all approach. By merging cutting-edge technology with industry-specific expertise, Cura Group offers custom solutions that seamlessly integrate into your existing operations.

Cura will help you:

- Improve warehouse layouts for better workflows
- Monitor inventory movement with a scalable WMS
- Keep critical parts accessible with nearby point-of-use storage solutions
- Set KPIs for operational efficiency across your entire supply chain
- Optimize daily picking, packing, and shipping of parts to job sites
- Outsource operations, including a world-class customer service team

In aviation, reliability is non-negotiable. Our commitment to punctuality, accuracy, and efficiency lets you focus on your core business while we handle your logistics with precision and care.

Reduce Costs

Cut overhead and labor expenses. We manage all aspects of upgrading and running your new or existing parts distribution center.

Improve Efficiency

On-site, 24/7 fulfillment services speed up routine maintenance and emergency repair outcomes.

Anticipate Needs

Always have enough of the right parts in the right place at the right time.

Stabilize Your Budget

Transparent pricing ensures no hidden fees, sudden increases, or surprises.

Fast, But Controlled

Your transition to full staffing and operational readiness is quick and easy.
